

Hello Fellow Referees

This Is Joe Weigand, and I'm giving my letter of intent for the SNOA volleyball assignor position. I have recently been away for two years from volleyball, but I am coming back strong wanting to learn a new position as the assignor. I'm currently one of the instructional staff members, so I bring knowledge of the sport of volleyball. I have worked with many of you in the past and those in the future know that I am very consistent in my work as a referee. As the assignor, I would bring fair, consistent, and organizational skill for the volleyball season to run accordingly. As referees, we will work together on getting assignments in a fair and consistent matter with opportunities for those who are ready to referee at a higher level. I have coached and refereed for over twenty years, and I understand both sides of the game, and what is needed to be an assignor. I will do my best if given this position. Thank you for your time and consideration.
